

Reference No. MOE/CFS/LTP/20220078

21 July 2022

Through The Principal

Dear Parents/Guardians,

**Participation in 2022 Raffles Institution Liveable Cities Challenge (RILCC)**

1. Your child/ward has been selected to participate in the **Raffles Institution Liveable Cities Challenge (RILCC)**.
2. The RILCC aims to educate Primary School students on sustainability-related issues and inspire them to become young change-makers. The theme of this year's challenge is "Water is Life". Utilising both the lens of the humanities and the sciences, participants will learn about water's necessity to biological life and its role in our daily lives. Through a *virtual tour* conducted by PUB, participants will also learn about how Singapore strives for water resilience. By embarking on a multidisciplinary and hands-on experience, participants will gain a deeper appreciation of water, inspiring them to personally adopt and advocate for habits of sustainable water usage.
3. The challenge will comprise a **(i) virtual main event**, to be held in school on Wednesday, **31 August 2022, 2.30pm-5.30pm**, and preceded by **(ii) short-video and poster competitions**.
4. All participating teams will receive a resource pack to prepare for the main event and the competitions. More details will be provided by the organisers on 3 August 2022.
5. **We seek your kind and generous support** to assist your child/ward on this challenge as he/she researches, brainstorms, and works on his/her ideas at home. We will also check in with the students on their progress to provide advice and support as required. If necessary, we may schedule additional sessions after school and will inform you in due course.
6. Please take note of the following:
