Dear Parents/Guardians

**Home-Based Learning (HBL) for P1 and P2 students from 29 September to 3 October 2022**

In 2020, MOE has announced the implementation of Blended Learning in schools, a key feature of the schooling experience to further develop students' ability to be self-directed, passionate, and life-long learners.

As part of the Blended Learning, students will learn what is prescribed by the curriculum through a mix of home-based and in-school activities, and leverage both online and offline approaches to learning. This will provide students with more opportunities to learn at their own pace and to be empowered to take charge of their learning.

As part of our efforts to equip our students with the necessary knowledge, skills, and dispositions to thrive in this digital era, P1 and P2 students will be having Home-Based Learning (HBL) from Thursday, 29 September to Monday, 3 October.

Details are as follow:

S/N	Day/Date	Mode
1	Thursday, 29 September 2022	A mixture of <i>offline</i> and <i>online</i> tasks
2	Friday, 30 September 2022	A mixture of <i>offline</i> and <i>online</i> tasks
3	Monday, 3 October 2022	<b>Zoom Session</b>

*Offline work* includes worksheets/workbook exercises assigned by the respective subject teachers.

*Online tasks* refer to assignments uploaded via Student Learning Space (SLS), Koobits, etc. The online tasks assigned may be completed at their own time. To support our young learners who may require parental assistance with the devices, the deadline for the online assignments will extend over the weekend.

\*Your child/ward's Form Teacher will share more details on the overview of the tasks and Zoom Meeting via Parents Gateway closer to the date.

We would like to encourage you to get your child to attempt to log in to SLS by Friday, 23 September so that he/she is familiar with the set up and interface prior to HBL.

**The SLS User ID is in the following format:**

First 5 characters of Student's Name + last 5 characters of Student's BC (all upper case)

**Example**

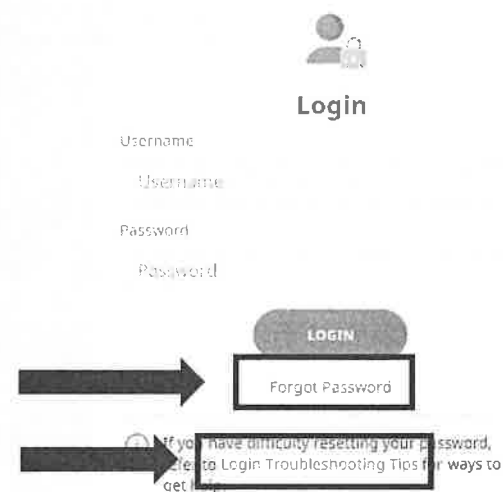

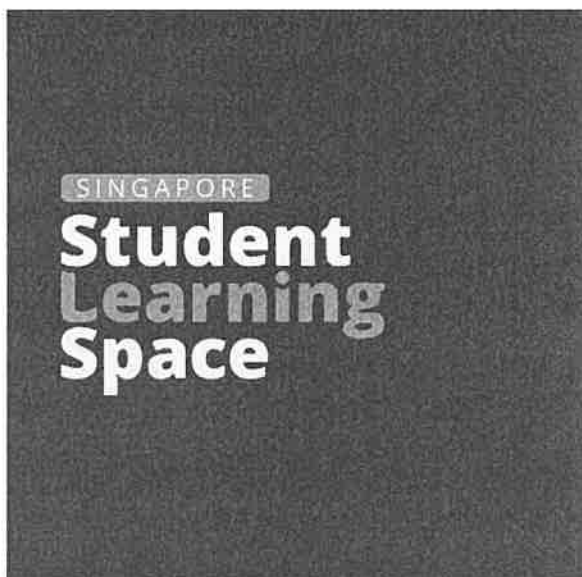

Name: **ALICE WOO**

BC Number: **T12345678G**

**SLS User ID: ALICE5678G**

You may utilize the **Forgot Password function** if your child/ward has forgotten his/her SLS password. This will further prompt you to reset the password. The new password will be sent to your registered email account.

For **technical support** during the HBL period, please click on **Login Troubleshooting Tips** at the bottom of the SLS homepage.

School will remain open for students who require additional support during the period of HBL. Please do not hesitate to approach your child/ward's Form Teacher if you require any further assistance.

Thank you.

Yours sincerely,
